

## Several projects to support

- **The coordinators' council** will take place in July 2016. It is an event of great importance for the life and the future of Faith and Light. This meeting gathers all the international coordinators worldwide. The mission of this hundred of responsables - who meet only every five years- is to share experiences and define the axes of evolution of FLI for the coming years in the service of the weakest. It is essential that the coordinators of all provinces can come, particularly those facing severe difficulties due to their isolation. But the very vulnerable countries cannot afford by themselves the participation of their coordinator. The coordinators from Africa, the Middle East, Asia, Eastern Europe, Central America and South America must be present! To date, we still need **45 000 euros** to ensure the presence of all...
- **Support to the communities.** Faith and Light is present in 80 countries on the five continents and many of them cannot live the same activities without the help of solidarity. This is the case for the communities in **Syria** that continue to come together, the bonds of friendship that has been created enables them to stand firm in the great trials they live. Also let us think of the communities in Africa which are too isolated to meet each another, and for which we organized last September a formation session in Cotonou... We still need **10 000 euros...**
- **Several formation sessions** will take place in 2016 in Kitwe (Zambia) and in Lubumbashi (DRC). The preparation, organization and implementation of these training sessions also require the assistance of solidarity international... We still need **6 500 euros.**
