

Faith and Light young people meeting

The year 2017 will be marked by an event of great importance for the life and future of Faith and Light. This is the meeting of young people from around the world which will take place in Spain during the first week of August. To give Faith and Light International a new impetus, we need young friends. In order to prepare for the future, we need people able to take on different responsibilities at provincial and international levels. We have to work on leadership...

It is essential that young people from all the provinces can come, especially those facing severe difficulties due to their isolation. However, very poor countries will not be able to handle the financial burden of youth participation in this meeting alone. Young people from Africa, the Middle East, Asia, Eastern Europe, Central America and South America must be present!
